

MINNEAPOLIS 600 CLUB INFORMATION SHEET

For League Secretaries

Upon rolling her first ever, anywhere, certified 600 series, a USBC adult female member qualifies for membership in the National 600 Bowling Club. The secretary of the league should complete the form to ensure the bowler will receive her 600 club patch, pin and membership card.

This is a lifetime membership and is awarded once only. The membership stays with the bowler even though she moves to another city or to another state. **The one time membership fee is \$18.00.** With this membership, the member will receive a pin, patch and membership card. She will also be eligible to participate in the Minneapolis 600 Club, State 600 Club and National 600 Club tournaments.

This is a separate award from the USBC 600 award.

Secretaries – In submitting the form, be sure all information requested is included along with a **check in the amount of \$18.00 made payable to the National 600 Club.**

Some helpful hints ---

USBC ID# – The number which appears on the individual's membership card. Do not submit form until membership card has been issued.

SS # - (If available). The National 600 Bowling Club has requested this information in order to provide members better service in replacing a lost membership card, etc. The numbers will not be given out to any other entity.
